Allowable Subject Matter

Claims 21, 23, 24 and 27-34 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record neither teaches or suggests an apparatus for ascertaining the oxygen turnover, consumption or transport rate and determined by the hemoglobin concentration via the tissue pigment as claimed and wherein light backscattered from the tissue, and evaluated by evaluation unit, and characterized in that optical fibers are provided between light sources and sensors with detectors with optical fibers of the sensor preferably disposed around a central fiber or being arranged on a circular shape on a central fiber or a temperature probe, and in that one fiber each for a white light source and for a laser and in each case at least two detection fibers lie on an arc of a circle at defined distances from the illumination sources each of which is fed to a separate evaluation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

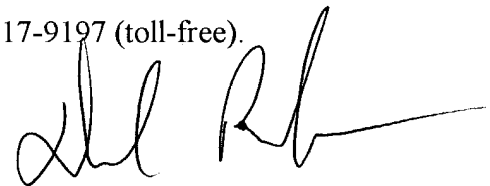

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel I. Robinson whose telephone number is 703 306-9043. The examiner can normally be reached on M-F 5:30am-2:30pm.
